EVERY PIZZA FROM SCRATCH

Our organic sourdough is made on site every morning. Each base is stretched by hand and topped with our homemade San Marzano tomato sauce.

We use British mozzarella from Brue Valley farm in Glastonbury. Our heritage breed beef is renowned for its flavour and succulence and is farmed in the West Country, as is our dry-cured bacon which is made using outdoor bred British pork. We source our chicken from Norfolk.

Our crispy pizzas bake in just 180 seconds, at a scorching 350°C.
